WE ARE HERE TO DEFEND YOUR POTENTIAL YOUTH APPLICATION

What is Big Brothers Big Sisters of Snohomish County?

Big Brothers Big Sisters is a private, non-profit social service agency that matches adult mentors with children needing a positive adult influence in their life. The mentors meet regularly with their Little for friendship, support, and guidance.

What is a Big Brother or Big Sister?

A Big is an adult volunteer, 21 years or older (18+ in our school based program), who wants to share activities with a youth 2-4 times a month. They are people who want to be a friend and companion to a young person and share in the joys and problems of growing up. Bigs and Littles make a commitment for at least one year.

Who is eligible to get a Big Brother or Big Sister?

Any child between the ages 6-17, who lives in Snohomish County, and who has the capacity to form a meaningful relationship with a Big Brother or Big Sister, is eligible to be placed on the waiting list.

How are the volunteers screened?

Our professional staff screens volunteers carefully by requiring them to submit an application, 3+ references, 2 background checks, an interview, a DOL abstract, and training. Every effort is made to ensure that the volunteer is a mature, stable, positive role model, who can make and keep their commitment. In addition, the parent is given a description of the volunteer before the match is made.

How do the children get matched?

Interviews are held with the parents and youth. Program Staff find out what kind of volunteer is desired for the Little. When a possible Big is found, our staff contacts the volunteer, the parent, and youth regarding information about each other. At this point, when each person consents to the match, a meeting is arranged and the match is made.

How long does it take to get a Big Brother or Big Sister?

It is our intention to carefully match Bigs and Littles so that the mentoring relationship is likely to continue for many years. We factor in location, personality, and shared interests when we are matching a Big and a Little, and it can sometimes take a while to line up all three factors. For this reason, it can sometimes take up to 18 months to put together a great match.

ENROLLMENT PROCESS

STEP 1, APPLICATION: Submit your application and pre-interview questions

STEP 2, INTERVIEW: You will be contacted to complete an in-person interview with a member of our staff to learn more about you, your family, your child, their interests, and their personality. Parents/guardians and youth will be interviewed separately on the same day.

STEP 3, BACKGROUND REPORT: Our staff will contact the youth's teacher, school counselor, and/or mental health counselor for further information to assist us with making the best match possible.

STEP 4, ACCEPTANCE/DENIAL: Not every youth who applies is accepted into our program. Once the enrollment process is complete, you will be contacted by a member of our staff to inform you of our final decision.

STEP 5, MATCH MEETING: Bigs are matched with a Little based on similar interests, geographical location, complimentary personality and values to ensure a lasting relationship. Once a match is made a Big and Little will meet for the first time in our office to make the match official.

STEP 6, SUPPORT: Each match is contacted by a case worker once a month for the first year to receive support and guidance. After the first year, match support is performed quarterly.
